

Crew: Diandra Serrano, Kristen Lima

Mrs. Grewal has taught 7th grade Life Science for 10 years at Santiago. Occasionally she teaches 8th grade Physical Science. Mrs. Grewal is a self-taught dancer, specializing in 70s, 80s, and 90s music. Although she denies being an 80s Lady, word on the street is that she has danced with the 80s Ladies from 2006-2011 and the 70s Disco Divas from 2002-2005. Mrs. Grewal grew up taking Jazz classes and tried out for her high school drill team. She also danced as a Troy High School Senior Elf in 1993. Mrs. Grewal thinks her crew should win Dancing with the Teachers because they are totally tubular, like, for sure, and like, totally radical, dude. All other crews are like, grody to the max and like, gag me with a spoon!
