Mrs. Keller has taught at Santiago for six years. She has taught math, history, English, and reading. She has two very cute daughters—McKenzie, 7 and Marley, 4. Mrs. Keller was in dance production for two years in high school, but has no formal dance experience. When she is not teaching, Mrs. Keller loves camping, physical activities, and spending time with her family. Mrs. Keller will be dancing in the lyrical style with some lovely Santiago students, and she believes that everyone is a winner in this competition!
